Certificate of Accomplishment

Presented to:

Cambridge Specialty Company

In recognition of being named one of Murphy's Monday Manufacturers. Murphy's Monday Manufacturer recognizes the best and brightest of manufacturing in our state, and I am proud to honor an organization like Cambridge Specialty Company for their invaluable role in fostering our economy and supporting our workforce. The manufacturing industry plays a crucial role throughout Connecticut communities, creating new jobs and accelerating our state's economic recovery. The example you set as a business innovator and community leader brings tremendous pride and distinction to the State of Connecticut. It is my privilege to honor you and to represent you in the United States Senate.
